

Odyssey Express

Ultimate Luxury on Rails.

Who & Why

When The Wild Calls, We Answer

We met between oceans and time zones. Three strangers turned co-conspirators, shaped by years of life at sea and the stories we gathered far from shore.

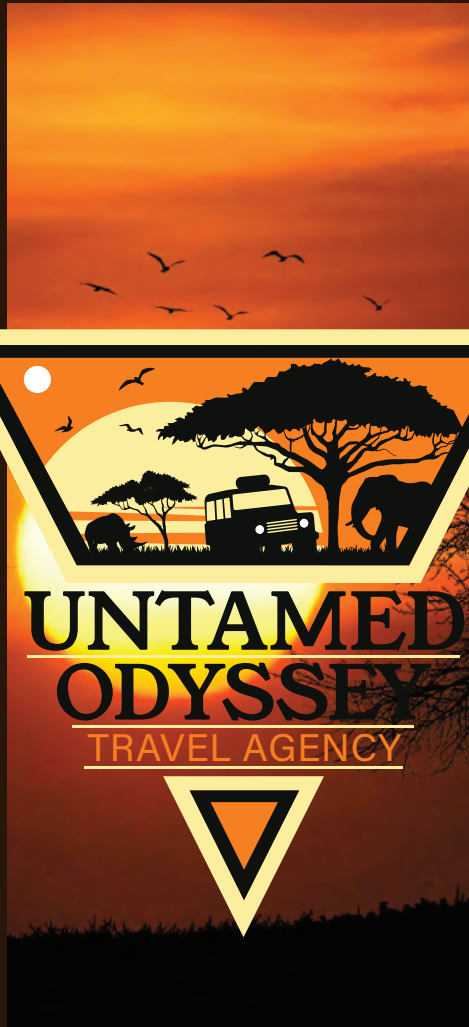

Different continents. Different strengths. Same instinct, to chase what feels real. Untamed Odyssey is our answer to that calling, a way to share the wild beauty, rich culture, and soul of Africa, the most untamed continent of them all.

Odyssey Express

All aboard for 8 days of untamed luxury.

From sunrise safaris in the Waterberg to vintage rail romance aboard Rovos Rail. Helicopter views to wine-soaked Franschhoek evenings. This is South Africa in full cinematic splendor.

Every stop, a jaw-dropper. Every detail, first class. This isn't just travel, it's a ride through the extraordinary.

Your Odyssey

Qwabi

Wild Luxury Unleashed

Welcome to the Waterberg's best-kept secret. At Qwabi, untamed nature is blended with five-star indulgence.

Wake up to lion roars, sip cocktails under acacia trees, and soak in a pool where the only traffic is giraffes passing by.

This isn't just a lodge, it's your wildest daydream, fully booked.

The Untamed Highlights

- Big Five sightings from a safari vehicle.
- Sunset cocktails with a front-row seat to the savannah.
- Outdoor spa treatments under endless skies.

Rovos Rail

Elegance in Motion

Welcome to three days of off-grid opulence.

Rovos Rail isn't just a train, it's a time capsule of elegance, rolling through the heart of South Africa in royal style. From Pretoria to Cape Town, and a few stops along the way. You'll glide through vast savannahs, ancient deserts, and postcard towns, all from the comfort of your private suite.

This is travel without noise. No Wi-Fi. No notifications. Just polished wood, panoramic views, and silver service as the world slides by.

The Untamed Highlights

- Royal Suites include en-suite bathrooms.
- Butler service.
- Gourmet dining and curated wines.
- Stops in Kimberley & Matjiesfontein.
- Lounge and observation cars to unwind in motion.
- Unrushed, unplugged, unforgettable.

Kimberly

Echos of the Diamond Rush

Step into the dust where diamonds once rewrote destinies.

Kimberley's Big Hole isn't just a crater, it's a scar from South Africa's rawest gold rush.

Old trams, deep mines, and legends of fortune-hunters make this stop feel like time-travel with a kick of adrenaline.

The Untamed Highlights

- Stand on the edge of the world's largest hand-dug diamond mine.
- Ride a vintage tram through a preserved mining town.
- Step into the story of South Africa's original diamond rush.
- Discover how ambition carved a city out of dust.
- Feel history beneath your feet: raw, real, and unpolished.

Matjiesfontein

Stuck in Style

Matjiesfontein is a preserved Victorian gem. Once a war hospital, now a living time capsule, this tiny stop serves up vintage vibes, ghost stories, and gin-soaked grandeur.

Wander the one and only street, pop into the quirky museums, and soak in the surreal charm of a town that hasn't aged, on purpose.

The Untamed Highlights

- See a perfectly preserved 19th-century railway town.
- Sip gin where poets and soldiers once lingered
- Stroll through vintage train cars, war relics & oddball museums
- Soak in the silence of the Karoo desert around you

Cape Town

Curtain Call in the Cape

You've gone off-road, off-grid, off-script and now land softly in the city where cliffs pierce the clouds and oceans don't know where to stop.

Cape Town is the perfect exhale after the ultimate Untamed Odyssey. Dramatic drives, legendary coastlines, and views that still feel wild (just with better cocktails). It's not goodbye, it's your final wink to the wild of South Africa.

The Untamed Highlights

- Explore the Famous V&A Waterfront.
- Enjoy an Exhilarating Helicopter tour of the city.
- Immerse Yourself In South African Culture.

Franschhoek

The Untamed Highlights

- Ride the wine tram like royalty on rails.
- Leave with bottles, memories & maybe a little swagger.

Sip, Swoon & Repeat

Think vineyard views, vintage trams, and more wine than your palate can handle.

Franschhoek doesn't do basic. Here, you sip with style, swirl with purpose, and wander from one cellar to the next like you've done this your whole life.

Come for the wine, stay for the decadence, and leave with a suitcase full of stories (and maybe a bottle or three).
